

Statement of Purpose and Mission

As a church in the gateway city of the Great Smoky Mountain National Park, we seek to be a church for those living here and for the many visitors to our city who come to enjoy the beauty of God's creation by providing facilities for religious services and retreats.

We seek to minister to other like-minded Christians in the local, national, and international community.

We seek to use our time, talents, and resources to assure that all who visit our church, worship with us on Sundays, or stay at our facilities will grow closer to Christ our Savior.
